MESSAGE FROM THE HEAD TEACHER

Dear Parents, Carers, and our whole school community,

Thank you. As the first half of the Autumn Term ends, I want to express my sincere gratitude for your support. It's been an outstanding and vibrant start to the academic year, filled with energy, purpose, and commitment from our pupils and staff.

Our children are bright, ready for learning, and have embraced the higher expectations we have set. This is not just about targets; it's about ensuring that every pupil, regardless of background, receives the best possible education.

Holding the Line on Expectations

We hold the firm belief that true compassion means "holding the line" for all children. This ensures that no pupil is let down by low expectations, especially those who are most disadvantaged. Our staff, parents, and pupils all share a part in this responsibility to get the very best for every child. This dedication is what makes our school community so strong.

Term Highlights and Looking Ahead

This half term has been fantastic, marked by celebration and discovery. We have hosted a wonderful Rewards Evening and provided numerous trips and visits, giving our children new, hands-on learning experiences that bring the curriculum to life.

As part of the Gateway Learning Community (GLC), our mission and vision guide everything we do: https://www.theglc.org.uk/.

Keep Reading Over the Break

While the children enjoy their rest, please know that reading is crucial. It's the single most important thing you can do to support their learning over the break. We encourage all pupils to take part in our October Reading **Challenge**: https://padlet.com/Lansdowne/october-reading-challenge-2025-bzb6puufmut7a1jr.

Key Dates, Support, and Contact

We are eagerly anticipating our parent/carer event evening on **Wednesday 12th November**. There will be various organisations and workshops available for you to attend.

Finally, we are still fundraising for our dedicated emotional support space, the **Thrive Hive**. If you are able to help us reach our goal, please donate here and share widely: https://www.theglc-lansdowne.org.uk/page/?title=The+GLC+Lansdowne+Primary+Academy+Thrive+Hive&pid=57.

If you have any questions or need to contact us, **please do not hesitate to reach out by emailing our support address: Support4u-LPA@theglc.org.uk**.

We wish you all a restful half term and look forward to a successful Autumn 2 as we head towards Christmas!

Kind regards,

Dan George

Head of School

Health Strategy: Autumn 1 - Healthy hygiene habits

This half term, we are ensuring that our pupils are aware of the importance of healthy hygiene habits, such as washing our hands correctly.

STAYING SAFE AND HEALTHY

PARKING PLEDGE

Back to Main Page

GLC Lansdowne Primary Academy

All Different: All Equal: Together, Improving Upon Our Best

At Lansdowne, we operate a "**Parking Pledge**" with the main aim of keeping our children **safe**.

We ask that all parents/carers:

- think if their journey could be made in an alternative way to reduce pollution first, such as walking or cycling.

If a car journey is unavoidable we ask that parents/carers:

- avoid parking on Alexandra Road or Dunlop Road - Park a little further away and walk the last few minutes to help our community.
- slow down around our school - 20 mph is safer for all our children.
- park legally and safely away from our entrance gates, zig zag markings, railings and dropped curves.
- keep off the pavements as these are for pedestrians only.
- do not obstruct our neighbours driveways or park in disabled bays.
- keep junctions and crossing points clear.
- behave in a polite and courteous manner with our staff, other parents and the parking patrol officers.

Thank you for your continous support.

PUPIL LEADERSHIP

Back to Main Page

Welcome to our "Meet the Leadership team" page.

Wellbeing ambassadors

We are delighted to present our Student Leader Well-being Ambassador Team along with Bertie our trainee therapy dog. The team, along with Bertie will be responsible for making sure all pupils feels safe and happy. They will be promoting the importance of looking after our mental health and the five ways to well-being.

As part of World Mental Health day, earlier this month, our pupils received key information about Mental Health and the importance of the Five Ways to Wellbeing.

https://youtu.be/nCrjevx3-Js?si=8Io1KUcAyQggk3zt
https://youtu.be/nCrjevx3-Js?si=LNBgQU7xkh79FRU6

https://www.mentalhealth.org.uk/our-work/public-engagement/world-mental-health-day

Please remember that we have access in school to the follow support for our pupils –

- **Target group work support around Mental Health or trauma.**
- **Direct work support from Anchor adult from Inclusion team.**
- **Mental Health Support Team referral.**
- **Counselling provision.**

We also have a broad range of resources including story books linked with anxiety, anger, bereavement and loss, specialist trauma programmes and safe spaces with weighted blankets.

Just to remind you that Miss Sparrow is the Mental Health Lead for our pupils and families, so please speak to her about any concerns you have so that she can make sure support is in place.

IN THE SPOTLIGHT

Back to Main Page

GLC Lansdowne Primary Academy
All Different: All Equal: Together, Improving Upon Our Best

That's the LPA Way

"We demonstrate our Core Values."

"We attend school every day and arrive to school on time!"

"We wear our uniform with pride."

RESPONSIBILITY

We own our behaviour and actions. We recognise that we play a fundamental role in shaping our lives, the lives of others and every aspect of the world. We understand the importance of 'making the weather.'

ASPIRATION

We aim high and work hard to fulfil our potential. We believe everybody can achieve something great and realise the importance of 'improving upon our best.'

COMPASSION

We care for ourselves and each other. We contribute to making the world a better place. We treat others with kindness, respect and dignity.

RESILIENCE

We tackle challenges head-on. We approach people and situations with confidence and a positive mindset. We learn from our setbacks and failures.

"We work hard and improve upon our best!"

"We read every day and practise our times tables."

"We are kind and show good manners."

"We complete our homework."

SPECIAL EDUCATION NEEDS

Back To Main Page

A new SEN Youth Club is launching on 6/11/25 in Thurrock for ages 10–18, and attendance requires a parent or carer to accompany every young person. The club will feature an opportunity to network, board games and a dedicated sensory area, creating an inclusive, engaging space for friendship, support, and accessible activities.

Contact for how to join the club:

Text 07720668350

Or email: OutreachGB@urceastern.org.uk

INCLUSION

Back to Main Page

Travel Plan

Lansdowne Primary Academy have achieved the highest award of Platinum for our School Travel Plan. To achieve this the school have been promoting safe, healthy, and sustainable ways for students, staff and parents to travel to school, they have been encouraging active travel [walking, cycling, scooting] and reducing vehicle trips.

Our newly appointed Junior Road Safety Officers will be out around the school premises to survey the parking and helping to come up with ideas to solve the issue.

INCLUSION

Walk Online Roadshow - Free Information Session on Online Safety for Parents and Carers

NOVEMBER 2025

Session Information

Please note: this is an adult only event and not suitable for children

The next session will be held on the evening of **Wednesday 19th November 2025 at 8pm**

please use the link below to access the Zoom call:

https://us02web.zoom.us/j/82825078874

Wednesday 19th November 2025

What's it about?

The parents workshop will look at the online world and how our young people are using it. How they are navigating around restrictions and using the internet without the parents knowledge.

This will include their favourite apps and games. We look at the dangers they face not only from bad people but also how they are being groomed in games. This ranges from receiving gifts by the younger player to being groomed on servers for the older ones.

For more info please click here: Thurrock Local Safeguarding Children Partnership - Walk Online Roadshow - Free information session for parents and carers

ATTENDANCE

Back to Main Page

Attendance 96.5%- above target!

We have reached the end of Autumn Term 1 and I am pleased to announce that our whole school attendance is currently 96.5%: which is above our Academy target of 96, and in line with the national average. It is however, really important that we continue to work together to do all that we can to prioritise our pupil's attendance at school , giving them the best opportunity to reach their full potential.

If you are a parent, it is your responsibility to:

- avoid unnecessary absences such as treats for birthdays etc
- arrange medical/dental appointments for after school (if this is not possible, avoid keeping your child off school for the whole day)
- shop for clothes and shoes at the weekend, not during school time
- inform the school on the first morning if your child is ill and send a note explaining the absence on your child's return to school
- if you think something is wrong eg your child complains of feeling ill frequently, or bullying, contact the teacher and make an appointment to discuss your concerns

How you can help:

- set up good evening and morning routines so that your child arrives alert and ready to learn
- make sure your child arrives on time - late arrivals are disruptive
- take an active interest in your child's school and homework
- attend parent and curriculum evenings

Statistics show that pupils with good attendance have higher attainment in school, and children with attendance above 96%, make better progress socially and academically. With the focus and development on the curriculum that has taken place at school, pupils who are absent will find gaps in their sequential knowledge. For our younger pupils, both attendance and punctuality are doubly important as they move straight into their RWInc groups after the register has been taken. RWInc is fundamental to help read fluently and develop comprehension, vocabulary and spelling.

We will continue to rigorously monitor attendance, and will advise you if we have any concerns Please contact Mrs Davey if you would ever like to discuss your child's attendance.

Top 3 classes

1st - RI	98.6%
2nd - 1W	98.2%
3rd - 5HD	98.1%

PE AND SCHOOL SPORTS

Back to Main Page

Discovery PE

Our new Discovery provision have explored various different sports this half term:

- Parkour
- Badminton
- Dodgeball
- Basketball
- Football

Focusing on all of our PE skills- Coordination, Balance and Agility.

All staff and pupils have worked extremely hard to learn and understand our PE routines whilst working with a small groups of mixed ages. During the lessons we adapt and challenge each pupil individually so all can progress to their next level.

Year 3 and 4 Football

These selected pupils in year 3&4 represented the school superbly. They all showed the LPA Way and displayed our schools core values throughout the whole event. They won 2 games and lost 2 meaning overall they came 3rd in the tournament. **A huge Well Done!!**

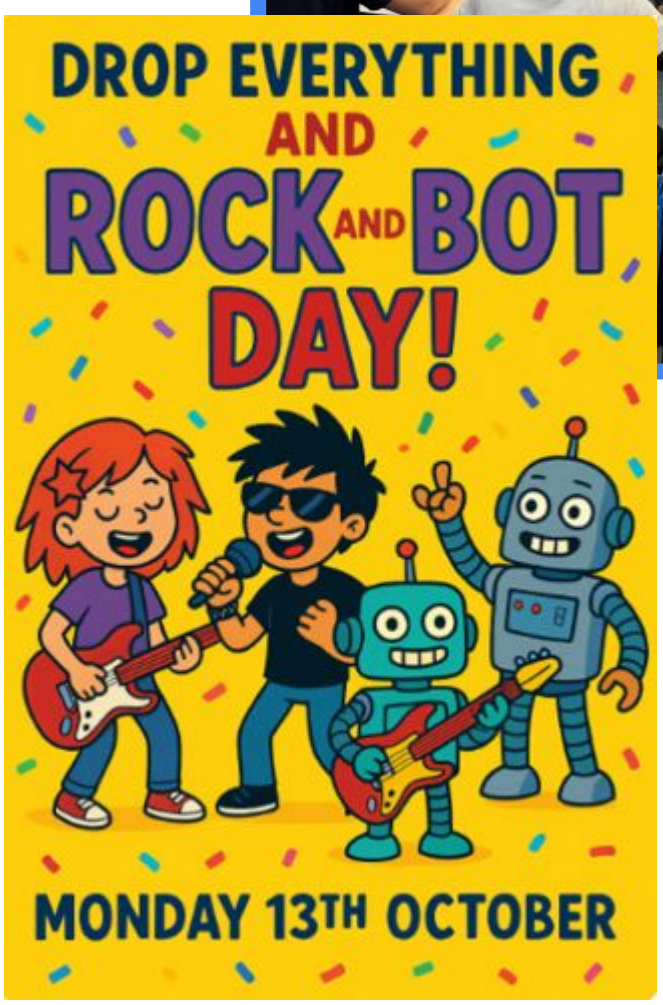

WHOLE SCHOOL EVENTS

Back to Main Page

Drop everything and Rock and Bot day!

It was great to see our pupils joining in with our 'Rock and Bot' day! Everytime rock music was played, children had to drop everything and head to times table rock stars/numbots to compete against each other!

Keep practicing those times tables and number bonds everyone!

Bedtime Stories

Back to Main Page

Children in Years 1 and 2 gathered for a wonderful evening of Bedtime Stories. Children wore their favourite pyjamas, ready for an adventure in the world of stories. As the sun began to set, they listened to stories being read whilst sipping warm hot chocolate and munching on biscuits. The hall was filled with laughter and excitement as the teachers read interactive tales that brought characters to life. Every child listened closely, their faces lighting up with joy during the thrilling moments.

NURSERY

Back to Main Page

Our nursery children have been busy exploring the wonders of autumn! So far, our seasonal fun has included activities like leaf rubbings and cutting, scented playdough and hedgehog making, counting pinecones, acorns, and small conkers.

We also explored the story of the Gruffalo for the National Poetry Day. Children enjoyed going on a Gruffalo and making Gruffalo Crumble.

RECEPTION

Back to Main Page

The children have had a fantastic time exploring our outdoor environment and learning through play. They've loved getting involved in gardening, learning how to plant flowers and what they need to grow. In the construction area, they've enjoyed building and using their imagination, while the reading shed has been a cosy space for quiet reading. In maths, they've been matching numbers to numerals and using farm animals to build homes, combining learning with creativity. The role play area has been especially popular, with children buying and selling tickets and performing songs for their friends – it's been wonderful to see their confidence and enthusiasm shine through in so many areas.

RAINBOW STREET

Back to Main Page

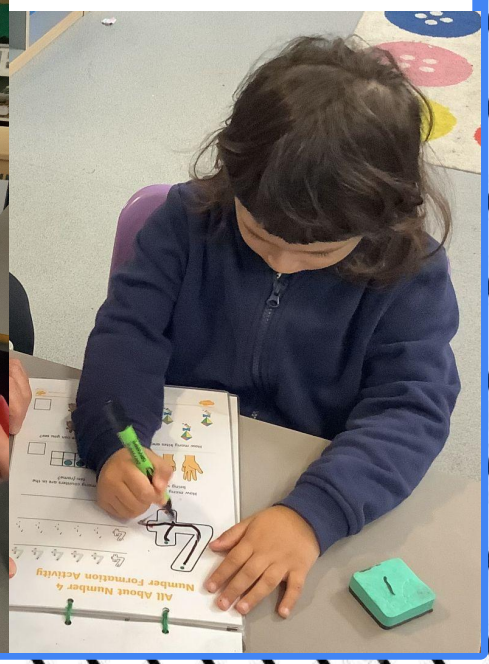

What a great ending to the term! The class have been learning about the importance of friendship and sharing through our story 'Rainbow fish' and exploring different emotions and how we cope with different feelings.
The class have enjoyed being creative and loved making their own Rainbow fish and colour monsters.
For maths we have been focussing on number formation and using interlocking cubes to identify groups of 3.

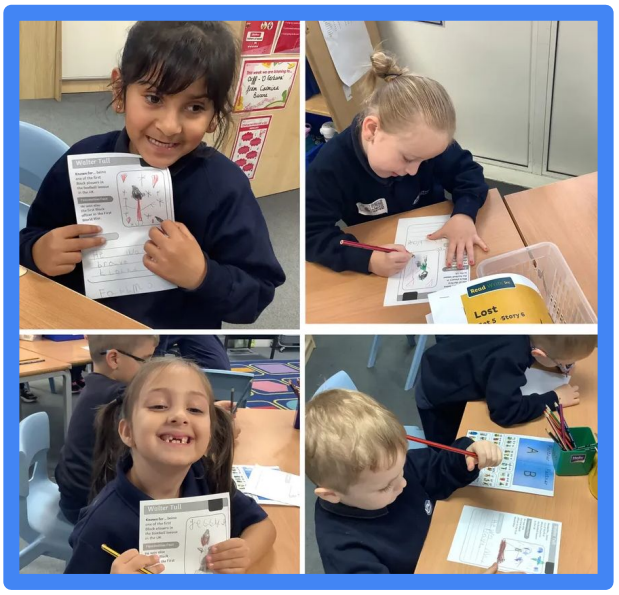

YEAR 1

Back to Main Page

What a wonderful half term year 1 have had! They went on a geography field walk to find out all about the human and physical features in the local area. They loved exploring the trees and plants that grow in the school grounds as part of the science work. The most special day was had when they visited Barleylands as part of their Design and Technology work. They fed the animals, had a tractor ride and made delicious pizza! I

YEAR 2

Back to Main Page

Autumn 1 has been a very successful half term for all of the pupils in year 2. They have enjoyed lots of wonderful learning experiences. They loved planting their own seeds and bulbs. They investigated what plants needs to make them grow. They had a fantastic time chopping, cutting and peeling a range of different vegetables for their couscous. They have also learnt lots of interesting facts about the United Kingdom, the countries that formed the union and their capital cities.

YEAR 3

Back to Main Page

This half term in Year 3, we've been busy learning and exploring in lots of exciting subjects! In **Design and Technology**, the children have been **researching and making their own bread**. They explored different types of bread from around the world, tested ingredients, and had great fun mixing, kneading, and baking their own loaves — our classrooms smelled amazing!

In **Science**, we've been learning all about **muscles** and how they help us move. The children took part in activities to see how muscles work in pairs and discovered how exercise keeps them strong and healthy.

In **Geography**, we have started **exploring Europe**, learning about different countries, their flags, and what makes each place special. The children enjoyed using maps and finding familiar places on the globe.

It's been a wonderful half term of hands-on learning, curiosity, and teamwork — well done, Year 3!

YEAR 4

Back to Main Page

It has been a busy and exciting Autumn half term in Year 4, filled with lots of hard work and memorable experiences. Alongside our daily lessons, the children have been putting a strong focus on learning their times tables as they prepare for the MTC test in 2026. We have been impressed with their commitment and the progress they are making.

One of the biggest highlights of the term was our fantastic trip to Grangewaters. The children took part in a wide range of outdoor activities including paddle boarding, kayaking, canoeing and raft building. Many of them faced new challenges, and it was wonderful to see such resilience, teamwork and determination as they overcame fears and developed new skills. From balancing on paddle boards to working together to keep their rafts afloat, the children truly embraced the experience.

It was a thoroughly enjoyable day for everyone, filled with laughter, encouragement and a real sense of achievement. We are very proud of how well the children represented our school and look forward to building on this positive start to the year.

YEAR 5

Back to Main Page

Go Ape

Year 5 had a fantastic trip to Go Ape. Throughout the day, children encountered new challenges that pushed them out of their comfort zones. It was wonderful to observe them face their fears and develop self-confidence and self-esteem as they conquered each task. Go Ape was not just an adventure; it was an opportunity for growth and bonding among the children.The various challenges faced during the course helped with team building, as the children had to work together to overcome obstacles.

Family Learning

During our Family Learning session children enjoyed hands-on learning for our DT unit by preparing vegetables for a traditional tagine. With the help of our wonderful adults, the children gathered fresh ingredients, learning to cut and grate vegetables safely. As they chopped carrots, potatoes, and onions, I could see their excitement grow! We also set up a tasting session, where students sampled a variety of condiments to accompany their dish. They explored different flavours and textures, discovering how each added a unique twist a tagine. A huge thank you to all the adults who were able to come and support us during this activity. Without your help and encouragement, we would not have been able to give the children such a valuable and enjoyable experience!

YEAR 6

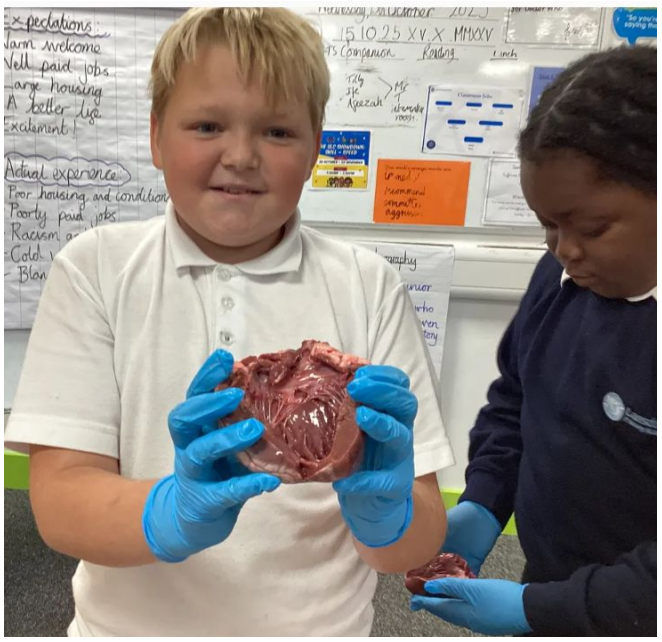

Back to Main Page

Making blood and dissecting hearts

Year 6 had their family learning session linked to science. Children (and some parents and carers) learnt about the four main components of blood and then tried to create their own using water, food dye, cheerios, marshmallows and small pieces of cotton wool. Thank You to those parents and carers who were able to attend this session.

The children also experienced dissecting a lamb's heart. Some children were extremely interested and could use their prior knowledge to locate and name the chambers of the heart.

ACORNS

Back to Main Page

In Acorns over the last few weeks, we have been doing lots of activities involving food. This has included learning how to cut vegetables and grate cheese, making pizzas during our family learning session, tasting different Autumnal fruits, a session exploring vegetables harvested in the Autumn and vegetable printing. The children especially enjoyed making pizza and singing along to the 'Pizza Party' song. It has also been a good opportunity for the children to learn some new Signalong signs.

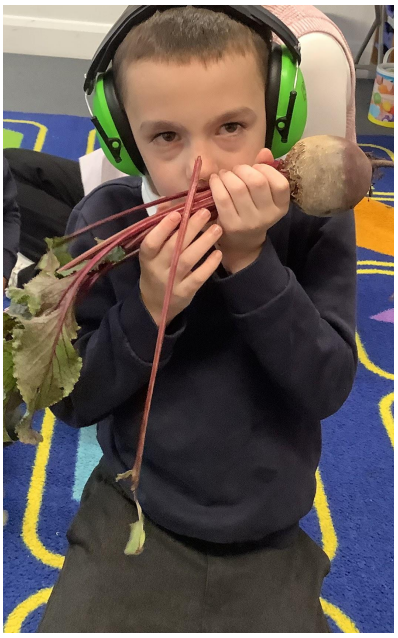

SEEDLINGS

Back to Main Page

It has been a busy and exciting time in Seedlings! The children have been learning all about harvest, exploring a variety of autumnal British vegetables during their science lessons. In PSHE, we have been thinking about what it means to be a good partner and team member, and the children have really shown these skills in action during our family learning session. They worked brilliantly together to make their own pizzas sharing ideas, taking turns and creating some very tasty results. It has been a joyful celebration of teamwork, learning and the harvest season!
